## **BOOST BOOST**

**Starting At:** \$306

What is Boost? A firm pillow designed for seniors needing assistance getting in and out of booths or lounge seating.

Firm, slight trapezoid-shaped pillow provides a raised, stable surface that can be used as leverage when lowering or getting up from a booth. The wood base keeps the pillow stable when pressure is applied.

### **Dimensions**

15"D x 6.5"W x 7.75"H

**Yardage:** .25
